

Alternative Fuel Vehicles Eligible for Alternative Fuel Tag

Note: If a vehicle is not capable of running on gasoline or diesel at all, it is a dedicated alternative fuel vehicle, and it can receive an AFV Tag and qualifies for the LEV or ZEV tax credit. Please note that the vehicles in the dedicated vehicle list are not required to get an emissions test.

Dedicated AFVs				Model Years Available																	Emission Test		
Make	Model	Alternative Fuel	Capable of Running on Gasoline?	2013	2012	2011	2010	2009	2008	2007	2006	2005	2004	2003	2002	2001	2000	1999	1998	1997
