WINTER WEATHER TRAVEL ADVISORY
I-75 Northwest Corridor and I-75 South Metro Express Lanes Remain Closed
Wednesday, January 22nd Due to Inclement Weather

Peach Pass Retail Centers remain closed, Peach Pass Call Center will remain fully operational

ATLANTA – Due to inclement weather impacting road conditions, the I-75 Northwest Corridor (NWC) Express Lanes and the I-75 South Metro Express Lanes will remain closed in both directions on Wednesday, January 22, 2025. The lanes will remain closed until the anticipated winter weather conditions clear, and the roadway is deemed safe for travel. Peach Pass customers should visit <https://511ga.org> for real-time status updates on the Georgia Express Lanes including openings and closures.

The Peach Pass Retail Center located at 245 Peachtree Center and Retail Centers located at the Department of Driver Services (DDS) locations will be closed January 22. SRTA will monitor conditions closely and Peach Pass customers should visit <https://peachpass.com/> for SRTA office and retail centers status updates. The Peach Pass Call Center will be fully operational and accept incoming calls/chats from customers during normal business hours from 7:00 am to 6:00 pm.

The decision was made to close the I-75 NWC and I-75 South Metro Express Lanes and our retail centers in an abundance of caution based on weather updates from the National Weather Service. Our top priority is the safety of our Peach Pass Customers and all commuters traveling on Georgia's Express Lanes.

The I-75 Northwest Corridor Express Lanes run along I-75 from Akers Mill Road to Hickory Grove Road and along I-575 from I-75 to Sixes Road in Cobb and Cherokee counties.

The I-75 South Metro Express Lanes run 12 miles along the median of Interstate 75 from State Route 155 in Henry County to State Route 138 in Clayton County.

About the State Road and Tollway Authority (SRTA)

SRTA is a state-level, independent authority created to operate tolled transportation facilities within Georgia and act as the transportation financing arm for the state. SRTA manages the collection of tolls on Georgia's Express Lanes System through the use of Peach Pass. For more information about Peach Pass, visit peachpass.com or like and follow @PeachPassGA on [Facebook](#), [Instagram](#) and [Twitter](#).
