ATLANTA, GA – On October 31, 2024, the State Road and Tollway Authority (SRTA) will launch a new mobile app – *Peach Pass Verify* – for Peach Pass customers who use toll-free carpool benefits when traveling on Georgia's I-85 Express Lanes and I-85 Extension Express Lanes. The I-85 Express Lanes and I-85 Express Lanes Extension are the only Georgia Express Lanes where carpools of three or more people can travel toll-free. Customers utilizing the Peach Pass GO! application for carpooling will need to switch mobile apps and use the new *Peach Pass Verify* by December 2 to continue to receive toll-free carpool benefits.

The *Peach Pass Verify* mobile app allows users to declare 3 or more people in the vehicle and qualify for a toll-free trip. In a single interface with just a few steps, carpool drivers will click in the new app to indicate the number of people in their carpool before each trip begins and reverify the number of occupants after the trip is complete. For safety purposes, user features on the mobile app will only be allowed while the vehicle is not in motion.

“We’re pleased to launch a dedicated app to optimize the toll-free experience,” said Jannine Miller, Executive Director at SRTA. “When eligible carpools use the new *Peach Pass Verify* mobile app, they can take advantage of toll-free benefits as part of a set of new enhanced Peach Pass experiences we’re beginning to roll out.”

Peach Pass Verify does not apply to Peach Pass customers with registered Alternative Fuel Vehicles (AFVs) or motorcycles, which require a different method to qualify to ride toll-free in the I-85 Express Lanes and I-85 Extension Express Lanes.

Only Peach Pass Account Holders are eligible for the *Peach Pass Verify* carpool benefit. *Peach Pass Verify* allows for multiple vehicles to be set up under one account.

BancPass Pay n GO! customers and customers from interoperable partnering states are ineligible.

For more information about *Peach Pass Verify*, visit www.peachpass.com/peachpassverify. The *Peach Pass Verify* app cannot be used to manage customers' Peach Pass account. For account information, visit www.MyPeachPass.com or download the Peach Pass Go! 2.0 mobile app. For more information about Peach Pass, visit www.PeachPass.com.

About the State Road and Tollway Authority (SRTA)

SRTA is an agency of the State of Georgia that operates tolled transportation facilities in Georgia and serves as the transportation financing arm for the state. SRTA manages the collection of tolls on Georgia's Express Lanes System through the use of Peach Pass. For more information about Peach Pass, visit peachpass.com or like and follow @PeachPassGA on [Facebook](#), [Instagram](#) and [Twitter](#).
